“ OAE 2017 - launch pad for hundreds of exciting new products.. “

SEMINARS & CONFERENCE

OAE 2017 includes, 3 days of International conference on Organic & Ayurveda concepts, specially focusing on Health, Fitness & Lifestyle...

This conference will prove to be an enriching educational experience for all the participants including patients, doctors and the public. We aim to provide a high quality scientific content to the participants through this conference, which is a step forward to not only spread information, but also to address the needs of patients for establishing better health care system.

Specialists from the respective fields have been invited to deliver their latest research and experiences. The participants will have an opportunity to share their experiences and to address their problems to the Ayurveda medical experts.

At this conference, it is our endeavor to bring together eminent international experts on a common platform to engage with patients, public and health care providers involved in health care industry.

WHO VISITS

The show attracts over 25,000 visitors including:
